Professional Summary

Inquisitive social scientist that has a background in human dimensions of natural resource management with 7 years' experience conducting qualitative and quantitative research committed to enhance the scientific acumen of all audiences. Experienced in the coordination, development, design, and implementation of both individual and collaborative projects in the short and long term, with devoted emphasis on identifying discipline transcendent implications with value, targeting technical and non-technical stakeholders.

Education

University of Florida – Doctor of Philosophy, August 2024

- Major: Forest Resources and Conservation
 - Concentration: Natural Resource Policy and Administration
- Dissertation Advisor: Ed Camp

Dissertation Title: Tides of Tradition: Exploring Place Attachment and Local Ecological Knowledge in Florida's Oyster Harvesting Communities for Management Decision-Making

- Teaching Assistantships:
 - FNR 6669: Policy & Economics of Natural Resources (Spring 2024)
 - FOR 3202: Society and Natural Resources (Spring 2023 and Spring 2022)
 - FNR 4660: Natural Resource Policy and Economics (Fall 2020).
- Lectures: Ecosystem Services- FNR 6669: Policy & Economics of Natural Resources (Spring 2024)

University of Florida - Master of Sciences, August 2020

- Major: Fisheries and Aquatic Sciences
- Thesis Advisor: Ed Camp
- Thesis Title: Oyster Restoration to Limit Vulnerability of Sea-level rise
- Student Presenter 2020 FAS Graduate Student Symposium – Spring 2020,
- Student Presenter 2019 FAS Graduate Student Symposium – Spring 2019

Delaware State University - Bachelor of Sciences, May 2018

- Major: Natural Resources (Concentration: Environmental Sciences)
- Division 1 Football Student Athlete (2014-2017)

Academic Positions

- Graduate Assistant (PhD). School of Forest, Fisheries, and Geomatic Sciences, University of Florida. 2020 to present.
- Graduate Assistant (MS). School of Forest, Fisheries, and Geomatic Sciences, University of Florida. 2018 to 2020.
- Student Research Assistant. Aquaculture Research and Demonstration Facility, Delaware State University. 2017 to 2018
