

NICOLE AGUILLARD

Project Specialist

Nicole Aguiard, project specialist, has more than 10 years of experience in project and account management.

Prior to joining The Water Institute, Aguiard was a sales assistant at American Mat & Timber, where she maintained current lists of sales rates, inventory, and quality assurance of inventory.

Her work experience also includes duties as a clinic specialist II at Baton Rouge General Hospital and as a traffic secretary for 18th JDC District Attorney, Richard J. Ward, Jr., where she coordinated traffic pre-trial diversions and per-trial diversion payments.
